Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses aggregate year to date totals for contributions received from individuals which appear to be incorrect. Please be advised that federal regulations require aggregate year to date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year to date total is correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year to date totals.
2. Schedule E of your report indicates that your committee may have failed to timely file one or more of the required 48 hour report(s) for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20th day before an election. The report must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures that aggregate \$10,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action
